

# ST WILFRID'S PARISH

## Brayton

### ***Risk Policy***

#### Risk Management

Risk Policy for St Wilfrid's – There are risks associated with all activities but Trustees must be aware of the main risks affecting St Wilfrid's and regularly review and assess these and plan for their management. New activities will be discussed at PCC meetings so that Trustees are aware of potential risks.

Our risk register outlines the main risks, rated for impact and likelihood, and mitigation measures are suggested. The risks are divided into categories of Governance, Operational, Financial and Public.

Policy adopted by PCC on 11 September 2018, reviewed 1 October 2019, 1 September 2020, 14 September 2021.

Date for Policy review: September 2022
